

MOTION GRAPHIC AND 3D DESIGNERS NEEDED

Based in Montreal, **GEODEZIK** is a multimedia company specializing in video content production and system design for world wide stage shows, public events and permanent installations. **GEODEZIK** also acts as video consultants for stage and architectural design.

Our company offers a comprehensive vision in multimedia: from project design to final showing. We create original content and new technology with the help of a community of visual artists, as well as stage and new media professionals. Our organization's flexibility and versatility means we can adapt to a wide variety of projects, from rock and roll production to opera or theatre.

Some of our clients are: The Black Keys, Katy Perry, Taylor Swift, Usher, Joe Cocker, Shakira, Beast, Michael Buble, Alicia Keys, Pink, Whitney Houston, Eros Ramazzotti, Tina Turner, Justin Timberlake, The Killers, Cirque du Soleil, Lenny Kravitz, Kanye West and Jay-Z, and directors; Jamie King, Serge Denoncourt, Dominique Champagne, Gilles Maheu, Wayne Fowkes.
